Dear Sir:

In response to the Advisory Action dated August 5, 2005, and a telephone interview between applicants' representative Peter Withstandley (Reg. No. 53,784) and Examiner Matthew Ludwig on September 19, 2005, a two-month extension of time being requested herein, please consider the following remarks.

**Summary of Examiner Interview**

The applicants thank the Examiner for speaking with the applicants' representative during the interview of September 19, 2005 and also for the indication of allowable subject matter with regard to claims 36, 40, and 42. In the telephone interview, the Examiner indicated that an additional After-Final Amendment canceling the rejected claims and not pursuing the non-entered claims, would be considered and that the application would then be in condition for allowance with the three allowed claims.

Accordingly, applicants hereby amend the application as suggested by the Examiner and as shown in the following remarks.
